Dear Judo Family,

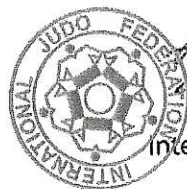

As you are probably all aware, a terrible catastrophe affected Haiti that left a huge number of victims and created terrible damages.

In the name of the International Judo Federation, I hereby would like to express our true sympathy and entire support for the Haitian people and especially for the Haiti Judo Federation.

In this respect, we have decided that IJF will support the Haiti Judo Federation financially and with materials as well, in order to restart the judo activity in their country. Besides that, if there are national federations willing to make any kind of contribution or support in any way the Haiti Judo Federation, the IJF is asking you to send us your proposals, so that we can manage them in order to assure that your support gets to destination.

We hope that our endeavors will manage to bring some comfort to the Haiti Judo Community and we express one more time our deepest sympathy for the affected families.

Best regards,

Marius L. Vizer
